What's in it for
European
citizens ?

What's in it for European citizens ?

- **First of all: JOBS !**

- 160 employees, of which:
 - 95 pilots
 - 15 mechanical engineers
 - 50 people on the ground (flight preparation, reservation. Etc.)
- Indirect jobs : 10,000 flights operated in 2017
- A truly integrated European company :
 - One entity, 8 European nationalities, two official languages spoken, 6 social systems

What's in it for European citizens ?

- And connectivity off-course

What's in it for European citizens ?

- Connectivity off-course
 - Business aviation means what it means

Thank you
