---------------	--	---------------

Ukraine	<p>suspension of the arrivals of all foreigners and the enactment restrictive border controls due to the outbreak of COVID-19, starting from 14 March. International passengers will not be allowed to enter and/or transit Ukraine. Passengers will not be allowed to enter Ukraine for a period of two weeks, until 3 April 2020.</p> <p>- This does not apply to nationals of Ukraine, to residents of Ukraine, to spouses and children of Ukrainian nationals, to representatives of official international and diplomatic organizations (and their family members), to crewmembers, and to representatives of humanitarian missions (and their family members).</p> <p>On 17 March 2020, at 00:00 local time (GMT+2), all border crossing points will be closed (for any international border crossing) for a period of two weeks, until 3 April 2020. This does not apply to border crossings required to safeguard national interests, and to representatives of diplomatic organizations and humanitarian missions. Nationals of Ukraine should return to Ukraine as soon as possible. Those who do not have time to do so for objective reasons, should contact the Ukrainian consulate. In cooperation with Ukrainian authorities, they will be returned home by non-scheduled flights. After 3 April 2020, the Ukrainian government will review whether this restriction should be extended for a longer period.</p>	15-Mar
United Kingdom	<p>On 14 March, the US government announced the suspension of certain travel from United Kingdom and Ireland beginning on 16 March due the COVID-19 outbreak. Flights arriving from heavily affected countries must provide a gendec when booking in the flight with all crew and pax listed. A further gendec will be required 60 minutes prior to landing, and on landing the gendec is also required.</p>	18-Mar
