Passengers are subject to medical screening and quarantine for 14 days.</p>	28 Jul
Bermuda	<p>Bermuda is open and welcoming visitors back to the island as of July 1, 2020. Visitors are to comply with the following Bermuda Government protocols:</p> <p><u>Pre-departure — A traveller must:</u></p> <p>Within 48 hours of departure, complete the Bermuda travel authorisation process online which gathers important information for the island's health and immigration officials; a \$75 fee per traveller is required, which includes the cost of all COVID-19 testing in Bermuda. Each passenger must have a form completed regardless of age. NOTE: Children 9 and younger do not have to be tested at any point, and their Travel Authorisation fee is \$30.</p> <p><u>Travel authorisation FAQ</u></p> <ul style="list-style-type: none"> • Ideally within 72 hours, but no more than seven days before departure, visitors must take a PCR COVID-19 test and obtain a negative result. This applies to adults and children aged 10 and up. Children who are 9-years-old and younger are exempt and are subject to their adult travel companion's quarantine. Children 10-17 must receive parental consent to be tested. If consent is denied, the young traveller must quarantine for 14 days on arrival. Test results must be entered as part of the online travel authorization process and be presented upon arrival in Bermuda. As of July 11, 2020, such visitors without a pre-departure test will not be able to obtain Travel Authorization and enter Bermuda. • Wear face masks when travelling to the departure airport • Wear face masks and practise physical distancing at the departure airport <p><u>Additionally, a traveller should:</u></p> <ul style="list-style-type: none"> • Acquire health insurance covering illness and injury outside of your home jurisdiction, including those related to a positive COVID-19 diagnosis while in Bermuda. If this is not obtained, a visitor will be responsible for all health and accommodation costs should they require treatment and/or quarantine, including costs related to a positive COVID-19 diagnosis in Bermuda • Pack a thermometer <p><u>In Flight — During flight, travellers must:</u></p> <ul style="list-style-type: none"> • Wear a face mask while on the plane • Practise physical distancing to the extent possible 	05 Aug

	<p><u>Upon Arrival — Upon arrival, travellers must:</u></p> <ul style="list-style-type: none"> • Show a copy of your Travel Authorisation. If you do not have a printer, have ready a charged phone or tablet to show your Travel Authorisation. • Present a copy of the pre-departure COVID-19 negative test result • Undergo PCR COVID-19 testing at the Bermuda L.F. Wade International Airport. Those with a pre-departure PCR COVID-19 test will quarantine at their accommodation until results are ready (turnaround time is approximately 24 hours for most results, though results may take longer depending on arrival time). This applies to adults and children ages 10 and up. Children less than 10 years-old are exempt from the PCR COVID-19 test. • Wear a face mask and practise physical distancing to the greatest extent possible <p><u>On-island Experience — When enjoying Bermuda, travellers must:</u></p> <ul style="list-style-type: none"> • Practise physical distancing, hygiene and mask-wearing in all public spaces where there is close contact with others, including on all public transport (taxis, ferries and buses). Simultaneously, we're working to increase contactless payment methods • Take your own temperature twice per day and report via online application/portal • Take a COVID-19 test, administered on Day 4, Day 8 and Day 14 at easily accessible pop-up testing centres around the island. Appointments accepted; no wait for results, and visitor is notified of results • Comply with restrictions on gatherings to a maximum of 50 people, with physical distancing in place. Special allowances for larger groups may be allowed by applying to the Ministry of National Security 	
<p>Bolivia</p>	<p>1. Passengers and airline crew are not allowed to enter Bolivia until 31 August 2020. - This does not apply to nationals and residents of Bolivia. - This does not apply to airline crew of airlines of Bolivia or humanitarian flights.</p> <p>2. Nationals and residents of Bolivia are subject to quarantine.</p> <p>3. Airline crew who are allowed to enter must have a medical certificate with a negative Coronavirus (COVID-19) test result.</p>	<p>03 Aug</p>
<p>Bonaire, St. Eustatius and Saba</p>	<p>Until 1 August 18:00 hours local time, passenger flights to the Caribbean Netherlands are prohibited from:</p> <ul style="list-style-type: none"> • the European Union countries, with the exception of the Netherlands, Belgium, Switzerland, Germany and France • the United Kingdom • countries from the western hemisphere, with the exception of Aruba and Curaçao. <p>Bonaire From 1 July 2020, tourists from the Netherlands, Belgium, Switzerland, France and Germany are allowed to fly to Bonaire, provided they were staying in the area of departure for 14 days prior to their departure. On arrival, they are requested to fill in and sign a health declaration. It is urgently recommended to take a (negative) COVID-19 test within 72 hours prior to departure to ensure that a quarantine is not needed. This also applies to residents. Travellers from Curaçao, Aruba, Saba and St. Eustatius do not have to go into quarantine if they stayed on the island of departure for 14 days prior to their visit to Bonaire. As soon as US passengers are allowed to enter Aruba again, Bonaire will review its access rules.</p>	<p>01 Jul</p>

	<p>The following applies to all residents and visitors:</p> <ul style="list-style-type: none"> • Observe the social distance and hygiene measures. • Everyone who is not feeling well and has COVID-19 symptoms must stay inside the accommodation and call the Public Health department at +599 770-2651. This department will determine whether a test is needed or not. You must stay at your accommodation until the test result is known. • Tourists from outside the Caribbean Netherlands need a valid insurance policy so that they are covered against additional medical costs on Bonaire. • Bonaire is not responsible for passengers who cannot return to their country of origin. <p>For more information on current local measures, visit www.facebook.com/openbaarlichaamBonaire</p> <p>Saba and St. Eustatius</p> <p>Both islands exercise restraint when it comes to welcoming visitors because they have less care capacity and are thus vulnerable.</p> <p><u>St. Eustatius</u></p> <p>Travellers from Saba, Bonaire, Curaçao, St. Kits and Nevis do not have to go into quarantine provided that they have not visited any other islands or countries 14 days prior to their departure.</p> <p>From countries that form a risk for the introduction of COVID-19 only medical referrals, returning residents or students and people with vital functions are allowed to travel to St. Eustatius. Passengers travelling from the Netherlands, Belgium, Germany, France, Aruba en St. Maarten have to stay in (home) quarantine for 14 days. Passengers travelling from other countries must take a (negative) test prior to their departure and stay in mandatory (hotel) quarantine, usually at their own expense.</p> <p>For more information on current local measures, visit: www.statiagovernment.com</p> <p><u>Saba</u></p> <p>Anyone who wants to travel to Saba must obtain permission via info@sabagov.nl. From 1 July, tourists from Bonaire, Curaçao and St. Eustatius will be given permission without a quarantine obligation, provided they have not visited other islands or countries 14 days prior to their departure.</p> <p>From other countries, only residents of Saba and people with vital functions will be allowed to enter. If they travel from the Netherlands, France, St. Maarten, Aruba and a few other European destinations, they must go into quarantine for two weeks. Passengers travelling from countries with a high COVID-19 risk must show a negative COVID-19 test result on arrival and go into quarantine for 14 days.</p> <p>For more information on current local measures: www.sabagovernment.com or www.facebook.com/PublicEntitySaba</p>	
Brazil	<p>1. Coronavirus (COVID-19) entry regulations lifted on 29 July 2020.</p> <p>2.
