A close-up, front-facing view of a white aircraft's nose and propeller. The propeller has four dark blades. The engine cowling is highly reflective, showing the sky and surrounding environment. Red safety covers are visible on the propeller hubs. A red tag with the text "REMOVE BEFORE FLIGHT" is attached to one of the covers. The background is a clear blue sky with some light clouds. A large, semi-transparent magenta shape is overlaid on the right side of the image, containing the section title.
