OFFERING THE BUSINESS AVIATION FLIGHT PLANNING COMMUNITY WITH A PLATFORM TO STRENGTHEN ITS COMPETITIVENESS TO DELIVER BEST-IN-CLASS CLIENT AND PASSENGER EXPERIENCES

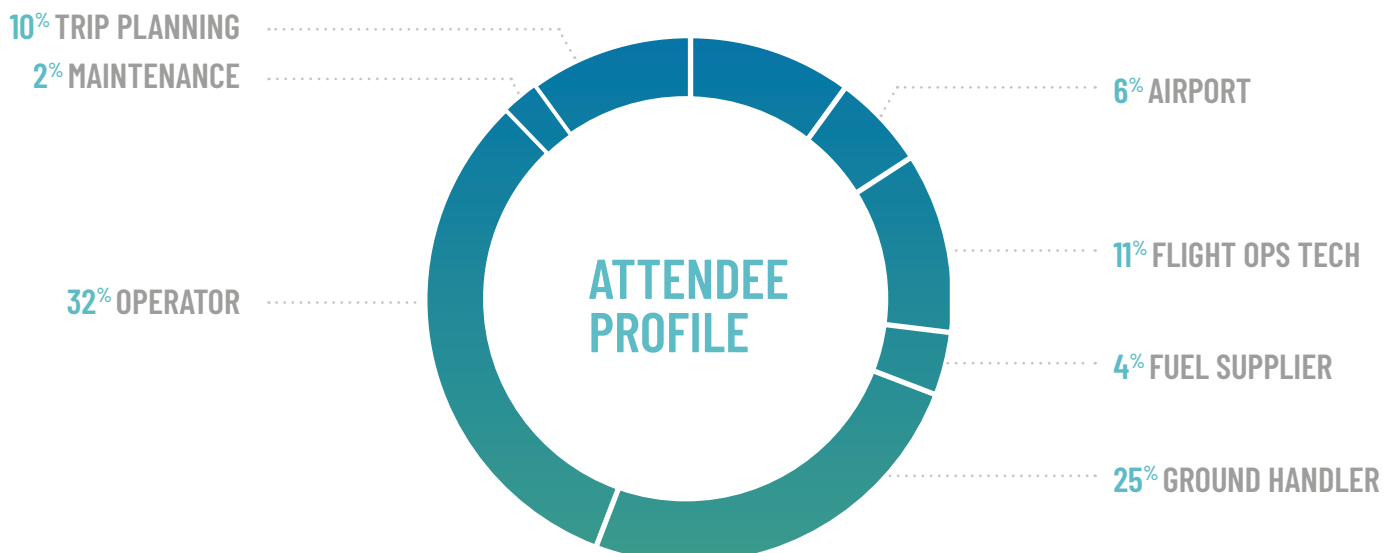

AIROPS is Europe's premier event for business aviation flight operations professionals, the place where ground handlers, airport and FBO representatives come to do business with trip-planners and operators. Featuring an exhibition, practical training opportunities and insightful educational sessions.

WHY ATTEND?

Stay up to date on the latest operational information critical to your job function, discover new vendors and suppliers, attend topical training sessions and network with your peers. Whether this is your first time joining us or you are a seasoned AIROPS veteran, you'll want to make plans to attend.

WHO SHOULD ATTEND?

AIROPS Europe is open to all organisations active in business aviation ground operations and flight planning. The event is oriented towards relationship and skills building, for the business aviation community, and by the business aviation community. AIROPS is a great opportunity to meet like-minded business aviation professionals from across the world.

THE PREMIER EUROPEAN'S SUPPORT COMMUNITY'S PLATFORM

The business aviation industry depends on personal relationships, and face to face interaction. Therefore, AIROPS 2020 is so important, as it provides multiple opportunities to meet and network with operators in the business aviation industry. Shannon Airport exhibited in 2020 and would highly recommend it.

JOE BUCKLEY - EXHIBITOR
Business Relations Manager, Shannon Airport

AIROPS is an excellent forum for enhancing your knowledge of the latest business aviation trends. I would highly recommend it for business aviation pilots and flight ops professionals.

KARL BEUKEN CAPTAIN - DELEGATE
Flight Operations Manager, Fly 7 Executive Aviation

It's always a great move to attend any AIROPS event if you wish to catch up with the key decision makers in business aviation. Also, the concepts are always reflective of the exact discussions that need to be facilitated to ensure the best future for our industry and the educational sessions are second to none.

ABDUL CHARAFEDDIN - EXHIBITOR & SPONSOR
Vice President - Sales, UAS International Trip Support

AIROPS offered a range of informative sessions on business aviation operators, as well as multiple opportunities to network with my peers. I would recommend the event for anyone wanting to enhance their knowledge and understanding of business aviation flight ops.

WERONIKA CHRZĄSTOWSKA - DELEGATE
Ground Operations Postholder, Jet Story

BECOME AN EXHIBITOR

AIROPS is the best opportunity to increase visibility for your products and services to your clients and raise your company's brand awareness while generating new leads. The exhibit floor sells out fast, so make sure to apply for your booth today.

WHY TO EXHIBIT?

AIROPS EUROPE is a unique event that offers the Business Aviation support community with a platform to strengthen its competitiveness to deliver best-in-class client and passenger experiences.

It promotes partnerships and sales opportunities for operators and the support community, enhances market insights, and engages the community to actively contribute to the debate on enabling legislation, harmonized standardization, and optimized security procedures that directly impact the performance of ground operations. We invite you to take advantage of this gathering by renting an exhibition booth, purchasing sponsorship or advertisement. Don't miss this opportunity to promote the inspiring work you have been doing for years! We look forward welcoming you in Brussels!

The AIROPS event provides you with visibility among other industry professionals and potential customers. As an exhibitor you will have the opportunity to interact with the Business Aviation flightplanning community and demonstrate your products and services. By participating at AIROPS, you can achieve goals and add value to your business by:

- establishing or expanding your presence in the market
- introduce new products and services to the main players and most influential stakeholders
- find new customers and develop business partnerships
- meet old and new stakeholders face-to-face

In addition to the exhibition, AIROPS offers targeted sponsorship opportunities. Being a sponsor could enhance your marketing plan and increase your exposure.

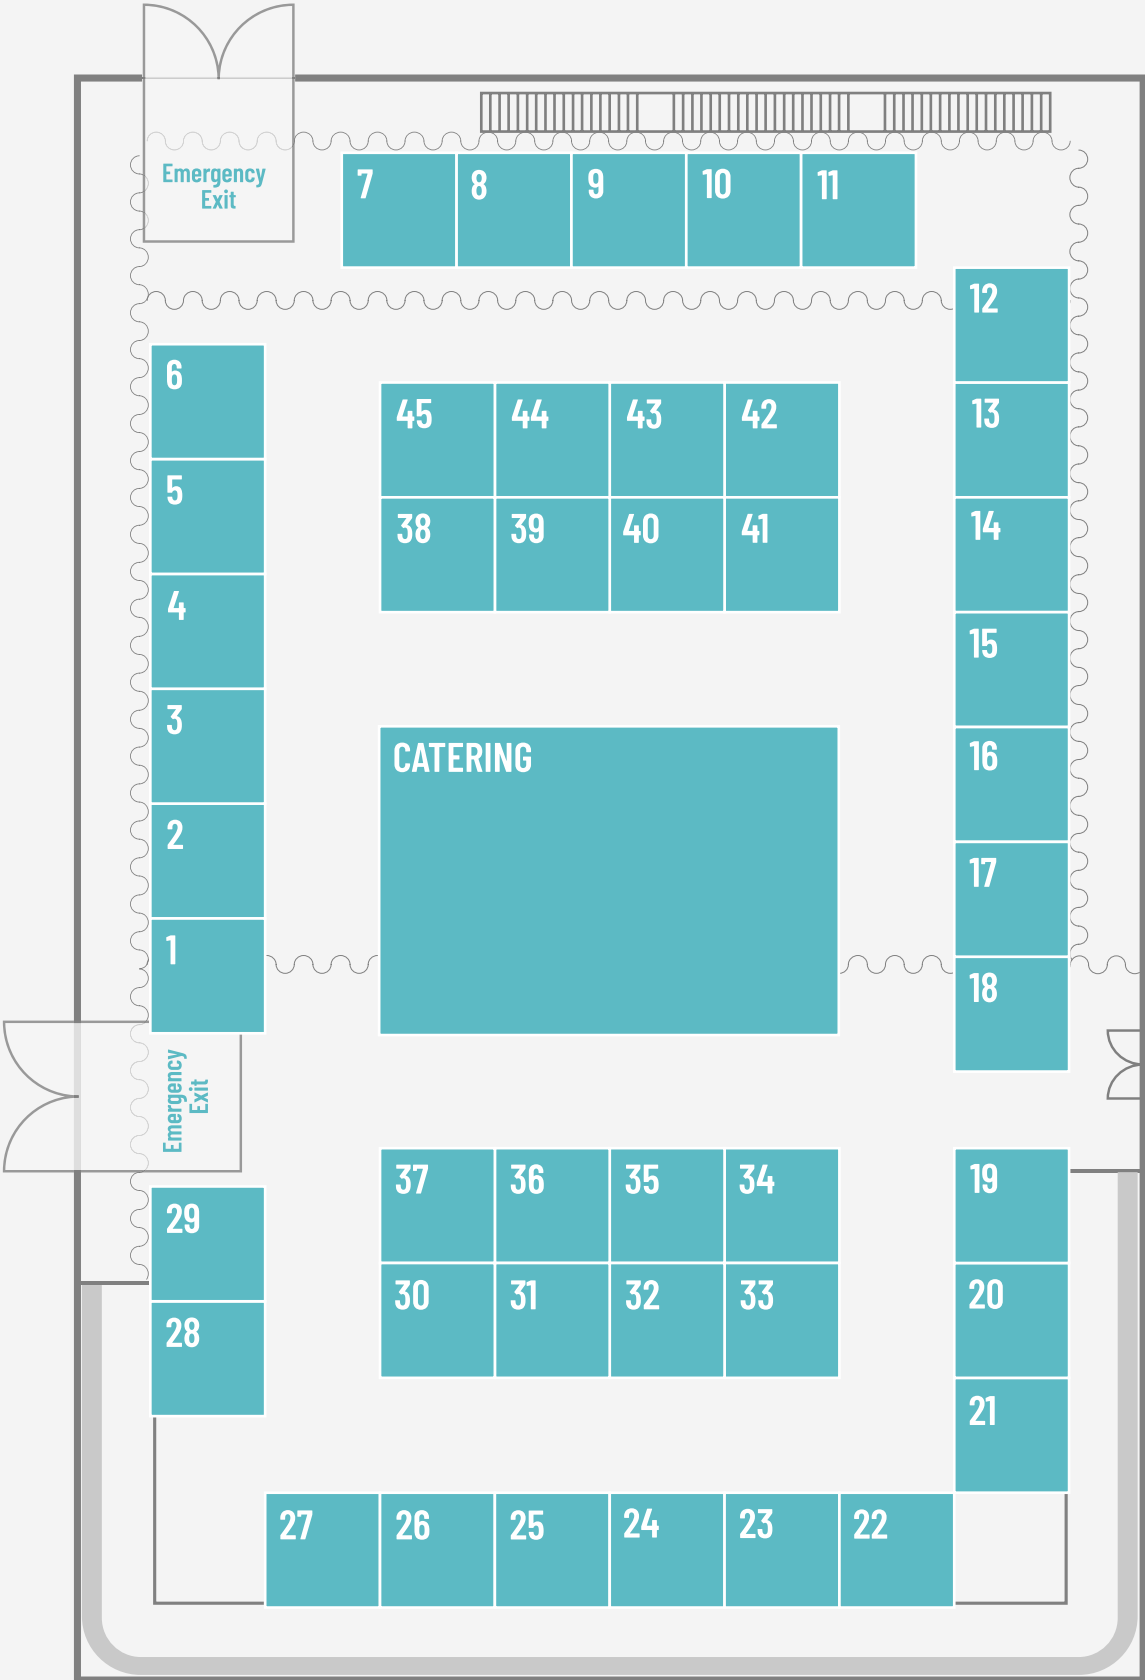

Accessible to all players in ground operations & flight planning

- standardized turnkey stands offer a cost-effective, solution.
- maximise your networking opportunities
- maximise your sales opportunities whether you are an operator or member of the support community
