April 2024

A white Citation Mustang aircraft is shown in flight against a blue sky with light clouds. The aircraft is viewed from a side-on perspective, angled slightly upwards. It has a high-wing configuration and a T-tail. The name "CITATION MUSTANG" is visible on the side of the fuselage. The background shows a vast, flat landscape below, likely a desert or coastal area. The right side of the image features a large magenta triangular graphic element that contains the section header text.
